

BHR Bus Schedule
School Year 2016-2017

Updated 9/28/2016

First Student Bus Company suggests students arrive at least 15 minutes before the times listed and these times may vary pending current traffic and bad weather.

There is no need to register students requiring a bus. Find the closest stop to your home.

As the school year begins and throughout the year stops may be eliminated if they are not being used, updates will be posted.
